GOLD University of New England

Individual Gold Star Awardees

Sharon Greenleaf - Northeast Occupational Exchange

Sharon is passionate about helping her clients and staff to start to quit tobacco, and is the Champion for tobacco prevention and control for Northeast Occupational Exchange.

Lee D'Attilio - Maine Behavioral Healthcare - Residential Homes

Lee is one of the most compassionate people I know, always putting everyone before herself, and always there to lend a hand whenever she can. Working on this project with her was such an honor and such a lesson in true leadership.
