IMPLEMENTING A SMOKE-FREE POLICY

1

ADOPT A POLICY

Put the smoke-free policy in writing. For a sample policy visit: BreatheEasyMaine.org/Lodging

2

NOTIFY EMPLOYEES OF THE POLICY & CLEARLY OUTLINE EXPECTATIONS

Use your resources: Local District Tobacco Prevention Partners, usually located at a local Community Coalition, are available to provide no-cost technical assistance on adopting and implementing smoke-free policies.

3

COMMUNICATE & PROMOTE YOUR SMOKE-FREE STATUS

Clearly communicate the smoke-free policy in promotional materials and on your website. Remind guests at check-in what the consequences are for violations. Post signage in key locations and in all guest rooms.

Template signage can be found at: BreatheEasyMaine.org/Lodging
